1.2. Project Specific Background

The KwaZulu-Natal Film Commission is a Public Entity that was established in 2010 by the KZN Legislature. The Province of KwaZulu-Natal through the Department of Economic Development, Tourism and Environmental Affairs realized the economic benefit and potential of the film industry given the fact that the province boasts a rich culture, heritage and is a popular tourism destination. KwaZulu-Natal has various iconic sites, untold stories with regards to the richness of the history as well as the beauty of the environment. The economic impact of the film industry is principally experienced through job creation. Whilst the province is rich in history there is an apparent lack of converting such into scripts which in turn result in productions for the local, national and international market. There are a number of aspirant filmmakers in the province who require the necessary support in order to improve their skills to be that of an international standard.

1.3 The Purpose of the Terms of reference

The purpose of the terms of reference (TOR) is to request proposals from industry specialists within Directing to facilitate executive training for the Film Industry Transformation Initiative (FITI) Programme for the KwaZulu-Natal Film Commission.

2. CONTRACT OBJECTIVES & EXPECTED RESULTS

2.1. Motivation: Why the Project is Important?

The KZN Film Industry Transformation Initiative (FITI) Programme aims to increase specialised skills in key areas of the industry value chain that will be retained in the province and become the core skills that service local and international productions. The Programme is meant to achieve the following objectives:

- . To accelerate industry participation for graduates.
- . Provide a holistic and integrated perspective of the creation and business of Television and Film.
- . Build a portfolio of work while providing practical industry experience.
- . Developing future leaders in film and TV industry, specifically for university graduates.

The programme is targeting university graduates who would have studied film or TV at NQF Level (7) (Bachelor's degree) or Diploma at NQF level (6) and need to be exposed to industry experience, practical application of film and TV skills in various areas of speciality and best practice in the industry. The programme would enable participants to be work ready upon completion.

3. SCOPE OF WORK

The service provider would be expected to deliver the following:

- ✓ The programme will be delivered over eight (8) months as of the contract is signed, with facilitators being expected to be available for a minimum of consecutive five (5) days per month;
- ✓ Undertake facilitating and assessing the participants' outputs as subject specialist/consultant and implementation agent per listed area of speciality.

 - Directing for Film and TV;
- ✓ Content of this programme is to be **30% theory** and **70% industry practice simulation**;
- ✓ Each specialty module will clearly outline the critical outcomes and assessment criteria;
- ✓ The method of delivery of the programme includes both online and on-site training;
- ✓ A detailed project plan and proposed methodology will be shared with the successful candidates for adoption/tailoring for each specialty area.

KEY DELIVERABLES: (Including, but not limited to)

- ✓ **Learner Guide** (this is a training manual that the learners will receive).
- ✓ **Learner Workbook/Portfolio of Evidence** (this is the workbook that the learners will complete of all the activities/tasks they completed to prove their competence).
- ✓ **Assessment Guide** (this is the guide explaining the Assessment process, procedures and reports to be completed. This will include the model answers to the tasks/activities/assessments that the learners would have completed).
- ✓ **Monthly reports** (this document is to provide detailed observations, interventions and recommendations relating to the overall monthly activities, outcomes and skills development of each participants).

EXPECTED OUTCOMES

- ✓ To provide graduates in film and TV with practical skills and industry relevant experience and exposure;
- ✓ To equip graduates with skills which will make them work and industry ready upon completion of the programme;
- ✓ To simulate the end-to-end filmmaking process while facilitating delivery of short films by the participants at the end of the eight (8) months.

4. LOGISTICS AND TIMING

4.1 Duration of the Contract

The period of execution of each service contract will commence from the date of signing the service level agreement for up to eight (8) months.

5. REPORTING

The service provider is required to report to the Chief Operations Officer: Ms. Jackie Motsepe on progress of the project within the stipulated timeframes. The reports will be required to be documented in a specific format as provided by the Chief Operations Officer: Ms. Jackie Motsepe.

The service provider must provide the Chief Operations Officer: Ms. Jackie Motsepe with a project plan indicating time frames, processes of implementation and provide reports, evaluation and statistical data.

The Service provider must avail themselves to status meetings as and when required on the progress of the project.

The **Chief Operations Officer** will evaluate each phase before any payment is approved. The final report should be presented to the Chief Operations Officer: Ms. Jackie Motsepe.
