

APPLY FOR THE 2024 PRODUCTION INTERNSHIP PROGRAMME AT KWAZULU-NATAL FILM COMMISSION (KZNFILM).

KZNFILM aims to enhance the economy by providing and encouraging opportunities for persons, especially from disadvantaged communities to enter and participate in the film industry in the province. In so doing, it aims to contribute to an enabling environment to job creation. The Industry Skills Development (ISD) Programme under Marketing and Industry Development is designed to develop skills in KwaZulu Natal focussing on previously disadvantaged filmmakers across the value chain of film and television. ISD aims to extend its training and skills development by offering internships to its trainees with long-term productions in the province.

KZN Film has engaged with productions in KZN who are prepared to take on interns. The production companies will provide the work-readiness training that productions are able to do.

The internships range from 1-12 months based on the needs and requirements of the production company. **The stipend is R3800,00 per month and no accommodation will be provided.**
